LONDON

This mammoth hotel organization presents all that is most acceptable in hotel cons organization, management, cuisine and protection against fire. The focus of the fashion-able world, in the most central, picturasque and commanding situation in town, overlooking the Thames Embankment to the south and the historic Strand to the north. Luxury and science in living are combined with strictly moderate charges. The visitor knows what he has to pay for everything.

has to pay for everything.

The cosmopolitan nature of its clientele invests the Hotel Cecil with a peculiar fascination for the traveller. Princes, Peers, Eastern Potentiates are to be seen here during the season, mingling with the obliquitous American and Merchant Magnates. Social life here takes the most pleasant forms. There is no restraint. The visitor can be formal or informal at the dictates of his own feelings. THIS IS TRUE HOTEL HOSPITALITY. Whether on commerce bent, the Cecil provides the ideal rendezvous. Within easy access of "Down Town" sections, it is still in the very centre of Pleasuredom. The variety and magnitude of the public apartments enable the visitor to enjoy comparative repose and immunity from the organical throng. There is room for everybody. general throng.
